1. Faith Community “Live Healthy Fairfax” Dialogue

Come *help* identify community strategies to:

- Promote community solutions for health education, disease prevention and disease management;
- Enhance social & emotional wellness services;
- Enhance increased physical activity opportunities;
- Promote healthy and safe physical environments;
- Increase availability & affordability of healthy foods in institutional settings; and
- Enhance tobacco free living.

This fall Fairfax County will receive a federal grant to implement strategies to promote a healthier Fairfax. Grant leadership wants to hear from the faith community. At the March 13th meeting, faith community participants will examine the federal grant & discuss and offer strategies, policies, services and education solutions for 2013 fall implementation.

Speaker: Sharon Arndt, Director
Fairfax Community Transformation Grant

2. Getting Ready for Child Abuse Awareness Month – April 2013
